WOMEN'S WELLNESS THERAPIES

 **INMODE**

INTRODUCING THE BEST VERSION OF YOU.

EmpowerRF by InMode is an advanced, nonsurgical women's wellness platform delivering life-changing therapies. It leverages a combination of unique handpieces to treat stress, urge, and mixed urinary incontinence (SUI), rehabilitate weak pelvic floor muscles, improve blood circulation, and provide pain relief.

With EmpowerRF's multiple technologies, your practitioner can create tailored treatment strategies and provide targeted solutions to restore your self-confidence and improve your quality of life without surgery or prolonged downtime.

**TRUSTED TECHNOLOGY.
PRECISION TREATMENTS.
EXCEPTIONAL RESULTS.**

MOVE WITH **CONFIDENCE.** IMAGINE THE **FREEDOM.**

EmpowerRF is a comprehensive solution dedicated to improving women's wellness. It uses a combination of synergistic energies including bipolar radiofrequency and electrical muscle stimulation (EMS) to treat common concerns.

EmpowerRF technologies are designed to safely and effectively treat delicate areas and improve functional health. Most clients find the treatments very comfortable and painless. All procedures are performed in the comfort of your provider's office without general anesthesia, large incisions, or the downtime that is associated with excisional interventions.

Take control of your face, body, and self-confidence.

Be as incredible as you feel.
