FORMA

Improve skin's appearance and achieve natural-looking results with zero downtime.

DISCOVER THE APPEARANCE OF YOUNGER LOOKING SKIN!

"My Forma treatments were quick, painless, and there was zero downtime. What a wonderful alternative to expensive, surgical procedures."

- JASMINE | PATIENT

WHAT IS FORMA?

Forma uses bipolar radiofrequency energy to deliver optimal treatments to improve the appearance of your skin by targeting mild to moderate facial wrinkles.

It is suitable for all skin types and is appropriate for individuals seeking a non-invasive and a natural looking approach to achieve a younger appearance without surgery, scars, or downtime.

HOW DOES FORMA WORK?

Forma was developed based on the clinical success of the proprietary A.C.E. (Acquire, Control, Extend) technology. A.C.E. technology uses RF energy to target deep layers of the skin, with no area being under or over treated. This ensures consistent optimal results.

WHAT AREAS CAN BE TREATED?

Forma can be used on both the face and body. Commonly treated areas on the face include the forehead, crow's feet, upper eyelids, lower eyelids, nasolabial folds, jowls, smile lines, and neck. On the body, popular treatments consist of the arms (bat wings), abdomen, and other areas that may need more refinement.

WHAT CAN I EXPECT?

Forma is a painless procedure with no downtime due to its precise technology and deep-layer targeting of the skin. Slight redness in the treatment area is common post procedure, which subsides within a few hours.

HOW MANY SESSIONS ARE RECOMMENDED?

Your physician will recommend the ideal number of sessions to be performed based on your personal objectives. Treatment times and frequency will be specifically tailored to obtain the optimal results.

CAN THIS BE USED IN COMBINATION WITH OTHER TREATMENTS?

Yes, Forma can be used in combination with most other laser treatments, facials, injectables and/or fillers. Please speak to your provider when considering combining Forma with other treatments.

Please speak to your provider to see if you are a candidate.
